## Pros ~~Rental Staff~~

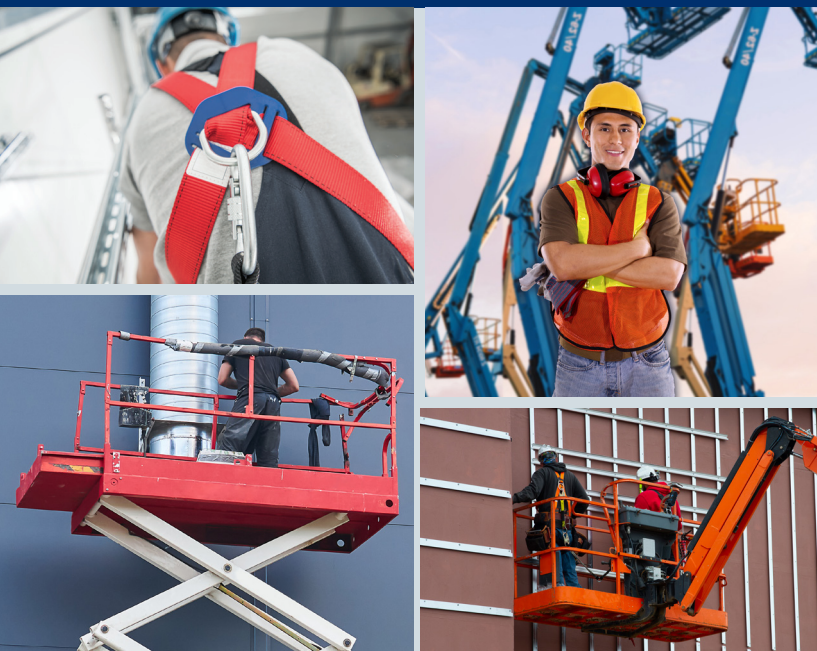

ARA's Mobile Elevating Work Platform (MEWP) Operator program qualifies graduates to operate MEWPs to OSHA requirements and the new ANSI A92 standards.

The MEWP Operator program is only available through RentalU in combination with hands-on training sessions facilitated by an ARA Certified MEWP Trainer.

Employees will take the classroom portion of the training online through RentalU and then spend 4-5 hours completing the hands-on portion of the training.

Employees are provided access to digital copies of all the training materials.

Upon successful completion of the hands-on training portion, ARA Certified MEWP Operators will be sent an operator card certifying their status. Certify your employees and increase the value they provide to your customers. Enroll Today!
